In submitting herewith the records of enquiry relating to the Sadr Revenue of Soulkunte and Chicka Seebi Inam villages attached to Chicka Seebi Narasimah Swamy's temple in the Sira Taluk, I have the honor to state that I concur in the Deputy Commissioner's opinion that the villages are entitled to Excise Revenue from Sadr. According the same is payable to the temple subject to Rules 2, 3, 5, 6 and 12 in Government Proceedings No. 2014-83 / R.T. 166-92, dated 20 August 1901.

Memo

The Sibi temple now in the Sira Taluk has three Inam Villages* granted by the same Sanad. Both under the Sanad as interpreted by the Inam Department and under the Inam Settlement, the temple is entitled to Toddy Revenue. The enjoyment of the Revenue has also remained with the temple as is clearly proved by the records and accounts produced. The Inamdar has received advances towards shop-rent up to date and I have only to award them shop-rent under Sec 12 formally and give them the tree-tax on trees tapped for their shops from 1898-9 up to date and the balance of shop-rent after deducting the advances made. The amount thus due for tree-tax and shop-rent up to end of 1900-1901 after deducting cess and establishment charges is Rs 1152-7-7.

Memo: XXIX

1. Enquiry was held today as to the validity of the claim of Seebi Narasimha Swami temple (advanced on its behalf by its Dharmakarta Karanek Nallappa) to the toddy revenue of Thekkaseebi, a Sarvamanya village in the Tumkur Taluk.

2. Nallappa has deposed that the above village was granted to the temple by His Highness the late Maharajah in the year 1811 that all the items of revenue including bajabab (which he says includes also toddy revenue) were conceded to it and that it has been in its uninterrupted enjoyment upto now.

3 There is no date grove at all in the village. A toddy shop has, however, long been in existence in it.

4. In the original Sunnad produced by Nallappa. Express mention of the word "Shendu is not made, but the several items of revenue conceded are defined

as "Bajabab, Sunka, Pammu etc."

5. Inspection of the original Jamakhersh accounts of the temple for a series of years, produced by Nallappa shows, however, that the temple has been continuously enjoying the toddy revenue of the village ever since its alienation. The accounts contain entries of credit of the proceeds of toddy revenue of the village to the temple.

6. In further support of the temple's enjoyment of the right, Nallappa has presented certain original Muchalikas and letters addressed to the temple authorities by the former toddy Contractors during their respective periods of the Contract. All these documents corroborate the above accounts and show that the temple has all along exercised the right of selling toddy in the village, as also near the temple once a year at the time of Jatra. Further, the right of

the temple to the sale of toddy at the "parashe" or Jatra is acknowledged in the late Chief Commissioner's Proceedings No 83 of 85 the 21st December 1877 referred to in an endorsement (produced in original by Nallappa) No 950 of the 16th February 1878 issued on the subject to Nallappa by the then Deputy Commissioner of Tumkur.

not part in this Secretariat file 19.3.06

7. The Inam Department has also recognised the claim of the temple to the toddy revenue of this village.

8. I therefore think that the right of the temple to the toddy revenue of this village of Chikka Sebi is proved.

9. The amounts realised at the sales held by Government in 1892-93 and 1893-94 of the Shops in this village and at the Jatra are as follow

	1892-93-	1893-94
Chikkasibi Shop.	191-4-4	239-1-4 ~~191-4-4~~
Sebi Jatra shop.	53-2-4 ~~50-14-3~~	55-4-4 ~~44-3-3~~

These sums are payable to the temple minus the proportionate working charges

Memo. XXXV.

1 Karnika Nallappa the Dharmakartha of Seebi Narasimaswamy temple in the Sira Taluk lays claim, on behalf of the temple, to the toddy revenue of the Swvamanyam village of Sorekunte in the Tumkur Taluk.

2 Enquiry was held to-day as to the validity of that claim.

3 There is no date grove in the village. A toddy shop has, however, long been in existence in it.

4 Nallappa has stated in his deposition that the above village was granted to the temple by his Highness the late Maharaja in the year 1811, that all the items of revenue — including toddy revenue has been conceded to it and that it has been in its undisturbed enjoyment since the grant was made.

5. Nallappa produced the original Sannad to prove the concession of the toddy revenue. But it does not in explicit terms refer to that revenue, but merely says that "baje bab, — Sunka, Pemmuve are conceded. —

6 Nallappa states that the Shendi revenue was

formerly considered as a Sub-item of "bajebab" and produces certain original documents to prove the continuous and undisturbed enjoyment of the toddy collections of the village ever since its grant.

7 Some of these documents are: —

(1) The jamakireh accounts of the temple for a Series of years commencing from 1823 (Chitrabhanu) containing the entries of credit of the proceeds of toddy revenue of the village to the temple.

(2) Certain Mutchalikas and letters addressed to the temple authorities by the former toddy contractors during their respective periods of contract.

8 The above documents prove the exercise by the temple authorities of the right of selling toddy in the village all along.

9 But the Inam Department has not recognised the claim of the temple to the toddy revenue, for this village is omitted in the list furnished by that Department showing the names of Inam villages, the holders where of are entitled to their toddy revenue.

Encl to S1.

10. The temple has been allowed to enjoy the toddy revenue, probably because the original Sannad conceded "Bajebab", a term which as per Rubkari no 150 of the 30th July 1867 from the Superintendent of the Nandidroog Division to the Deputy Superintendent of the Jimlúr — District includes the items of Shendi and Sharab

11 As however the Inam Department has not recognised the claim of the temple to the toddy revenue, that revenue cannot be given to it Till the decision of the Inam Department is reversed by competent authority.

12 The right of Selling toddy in this village was Sold by Government for Rupees 191-4-0 (inclusive of local cess) in each of the years of 1892-93 and 1893-94

Rs 239-1-0

Since writing the above the Inam Superintendent in his Docket no 160 of the 7th

7th August 1894 intimated that the holder of this village is entitled to the toddy revenue thereof. As its enjoyment has also been proved, I now decide that the holder of this village is entitled to the toddy revenue thereof. The amounts shewn above, viz Rupees 191-4-0 and Rs 239-1-0 are therefore payable to the Inamdari for the two years of 1892-93 and 1893-94 minus the proportionate working charges which are respectively Rupees ~~7-15-3~~ 3-10-8 and Rupees ~~3-3-11~~ 3-8-4.

Proceedings of the Government of His Highness the Maharaja of Mysore, Excise, dated 31st March 1903.

READ—

Letter No. 4286—205, dated 21st January 1903, from the Excise Commissioner in Mysore, submitting the records of enquiry relating to the toddy revenue of Sorekunte and Chikka Sibi, Sarvamanyam villages in the Kora hobli of the Tumkur Taluk, attached to Sibi Narasimhaswami temple in the Sira Taluk, Tumkur District.

No. 479-81—Ex. F. 11-01, DATED BANGALORE, 31ST MARCH 1903.

ORDER THEREON.—The sannad dated the 15th May 1811, alienating the above named villages in favor of the Sibi Narasimhaswami temple, concedes to it the "Bajebab" which includes toddy revenue. The Inam Department has also recognised the claim. There is a toddy shop in each of the above villages, but no groves, and a temporary shop is worked every year during the jatra. The temple has enjoyed the revenue from the shops uninterruptedly ever since the villages were alienated in 1811. The Assistant Commissioner who investigated the claim, the Deputy Commissioner of Tumkur, and the Excise Commissioner are all of opinion that the claim has been proved. Concurring with these officers, Government are pleased to declare that the temple is entitled to the Excise revenue from toddy of the villages in question (including the jatra shop) under Rules 2, 3, 5, 6 and 12 of the Rules contained in Government Order No. 2074-83—R. F. 166-92, dated 2nd August 1901.
